WISDOM IN TROUBLED TIMES

BECAUSE OF YOUR PRAYERS AND FINANCIAL SUPPORT

Do you believe this statement:

"You can change your life by changing the words coming out of your mouth! You can change someone else's life by the words coming out of your mouth!"

It is true. And we have the data to prove it. We have approximately 250 students from inner City Schools that we work with every week. The Wisdom God is given us is not just changing their lives but they are changing other students lives!

NEWSLETTER FEBRUARY 2025

"ATTITUDE IS CONTAGIOUS, IS YOURS WORTH CATCHING?"

The attitudes of our student leaders is contagious and well worth catching! They are slowly transforming their schools. For example:

IN ONE SCHOOL WE HAD A PASSING RATE OF 83% AND ANOTHER SCHOOL 86%. THIS PAST SCHOOL YEAR IT WENT TO 91% IN ONE SCHOOL AND 98% IN THE OTHER!

The success of our program is based on Proverbs 18:21 "Death and life are in the power of the tongue, and they that love it shall eat the fruit of it"

We call it "Speak Life Twice speak" (Speak life to yourself and then speaking life to others.)

Will you help us

With your prayers & financial support, our Christian based program will not only reach young people here in Buffalo but around the world! If you can, would you please consider donating on a monthly basis? Whatever amount the Lord puts on your heart. By mail (payable to Project L.E.E) or CashApp @ \$Projectwitt or via PayPal - using email: Project-lee@hotmail.com.

My staff & I will be honored & humbled to hear from you! For the Kingdom of God sake, we want to take our Prov. 18:21 "Speak Life Twice" movment across this nation (Heb. 11:33)

FEBRUARY 2025

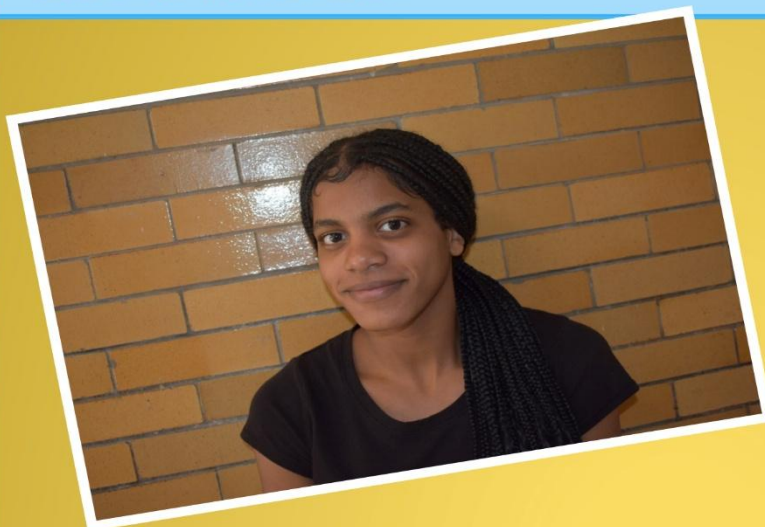

"YOU'RE AMAZING!"

"YOU'RE NOT ORDINARY, YOU'RE EXTRAORDINARY!"

What could happen in the heart of a child if they heard words like this spoken to them every week? What would happen if they heard words of life spoken into them by their parents?

HERE'S JUST A FEW THINGS THAT COULD HAPPEN:

It could change their life forever.
It could strengthen them mentally and emotionally.
It could cause them to have better days.
It could help eliminate fear from their lives.
It could encourage them to speak words of life to their peers.
It could help them believe words of life spoken to them more than death words.
It could heal past mental scars.
It could transform generations to come as they teach it to their children.

Testimonial:

Meet Isyss

I've gotten more confidence in everything I do. I look at myself differently in the mirror, in a more healthy way. It helped me believe I am worth something and helped with my grades because I was always second guessing myself before I went to this group. I was thinking bad and I was so close to giving up, but when I came, they made everyone feel like they are worth something and showed us we were unique and I wish this were an everyday thing. It taught us kindness, good mindset, and way more things that will help us throughout our life.

Yes, I will invite a friend to share this experience with everyone.

It should stay because it teaches us something our school classes don't. It is a very important group for so many reasons. This group speaks words of life and then changes life for the better.
